

MAM | YRX ZIPPER CO., LTD

WHO WE ARE

WHAT WE DO

WHAT WE BELIEVE IN

YRX is founded in 1999 and since then has become a professional zipper manufacturing company specializing in bags and luggages with two production locations in Guangdong, China and employs 280 people. The covered surface of all the locations is more than 40,000 square meters and in 2018 the turnover was over 20 million; the output was approximately 35 millions meters of metal zips and 20 tons of nylon zipper and plastic zipper. Our mission is to give best possible experience to the end user and add value to the products where our zipper are used on.

We have put great effort in research and development with core focus to achieve perfect balance between smooth sliding and strength, while to be non-oxidating and nickel free is the baseline. Roughly five percent of the turnover is spent for research and development of new products and machineries.

We provide zipper in a vast range of styles, colors and materials, customized to your exact specifications and color request. Though we are not a large company, we are professional, reliable, and we embody the family values of integrity and service and we expertise with attentiveness. Nowadays YRX is able to serve its customers all over the world, keeping quality and service on a higher level.
